Fabricated Charges, Unlawful / Wrongful Arrest – 2 Disorderly Conduct, 1 vMisuse of 911, 1 Stalking

7-24-26 like 9 am, I noticed the neighbor's house that I have proof has been part of the gang committing crimes against me and that they use other gang members for their jobs, keeping it in the family. So I filmed myself waking out on the road to see if there was a ccb or something to say who it was on the trucks, when there wasn't I stopped at the road by the ditch and asked if they had a business card, they got abrasive and evasive so I asked him if he had something to hide as I am a proud member of neighborhood watch. He then came out to the road and got in my face and then after we exchanged words he RIPPED THE PHONE OUT OF MY HAND, refused to give it back after two times of demanding it back, I THEN RIPPED IT BACK OUT OF HIS HAND and went across the street and said a few words about the crimes his gang is engaged and the crime he just did on me, then went to call the sheriff and they called back and gave me the run around and ended up hanging up on as they have many times in the last 22 months. I got a little irate and called them back and gave them a earful as I asked for the supervisor, I called 911 back because the issue was not resolved and I didn't think about the fact that I should call another number, I am tired of crimes being committed against me and BEING SANCTIONED BY THE SHERIFF AND PERHAPS THE DA….

They showed up and were in my yard, like a home invasion or some sort of raid search warrant to come into my property and then arrest me for DOC and MISUSE OF 911…

They booked and released me after using my private words back to me, the same evidence I have of cyberstalking and espionage theft on the rest of the civilian gang members being done the same by the "deputies".

I then walked home and said stuff at a normal voice level about the crimes they just committed against me then used a loud voice in my trailers and a few times as I walking from my utility trailer to my other trailer.

They then showed back up about 20 minutes after getting home, based on more false reports from the neighbor who they are using to try and fabricate stalking charges on me, and the sheriff did the same psycho home invasion of my property and arrested me for DOC then after 10 minutes drove me back to other deputies and charged me with stalking, from the very neighbor I have massive proof of stalking, cyberstalking, theft and fraud to claim it as his own and proof of ESPIONAGE ON MY PHONE and he is with THE SIGN DUDE WHO IS MY DIRECT COMPETITOR IN MEDFORD FOR MY GRAPIHIC DESIGN COMPANY. I went to college for it which is part of why im so good at it, they did not, they are poser hack thieves who moved in here to STALK, PLAY IN MY FACE WITH MY STOLEN PROPERTY AND MONEY, AND TO TRY AND FRAME ME UP AND I CALLED IT OUT FROM THE MOMENT THEY PUT THE HOUSE UP FOR SALE…

Back story, 7 days prior I emailed the commissioners and sheriff a formal cease and desist to stop stalking, spying and obstruction, aiding and abetting….

2 days prior to the fabricated charges I posted on the front page of hawkx.xyz about the sheriff involvement in the crimes being committed against me and how they were running COVER and “LOOKING THE OTHER WAY” to avoid doing even report based on the allegations I have informed them of the crimes going on and offered evidence for 22 months… Its not complex what is going here, they were trying to retaliate for the PRE SUIT NOTICE and TRY TO BLOCK ME FROM DOING IT BY PUTTING ME IN PRISON AND WHO KNOWS MAYBE EVEN DEAD IN PRISON, and TO CHILL MY FREE SPEECH, TRYING TO ACT LIKE MY WORDS IN MY TRAILER OR YARD ARE SOME HOW CRIMINAL, but the words I say in my trailer and yard are ACTUALLY JUST ME CALLING OUT THEIR CRIMES FOR DOCUMENTATION PURPOSES ON MY PRIVATE RECORDINGS….. SO THAT IN THE VIDEO / AUDIO OF EACH EVENT ITS CLEAR WHAT IM TALKING ABOUT AND THAT ITS PERTANENT TO THE CASE I AM GETTING READY TO MOVE FORWARD ON.

I have a mountain of evidence to corroborate and substantiate my claims!!!! PERIOD…

The evidence speaks for itself…..
