Where the River Begins - 2020

It all started with the treasonous trump and fox news ran “lockdowns” in 2020. That caused me to jump into action as it was not only illegal but was killing all my businesses and in hindsight its clear as day trump and fox news were trying to bankrupt and starve us all out so they could be kings and own everything with a total feudalism / communism / socialism style COMPLETE CONTROL OF EVERYTHING…. I started using my college acquired skills of research and essay writing skills to debunk and destroy all their fake news, lies, frauds, misinformation and disinformation across the board.

I started by posting comments in 2020 with links to others work as my research conclusions as i had found others work with enough correct info to suffice. Fox news and tucker carlson and team trump started copycatting and stealing my content aka my written words in comments on youtube, and used them in their content and claimed them as their own “original works” fraudulently like some sort of little children parroting and plagiarizing others works, and looking back it would seem the phone gps spying and sending cops / sheriff to harass me may have started in 2020.

- 2020 Timeline
- Lockdowns Started
- We started doing research and comments
- comments posted on youtube / twitter
- under names like "Hannibal is at the gates" and "ghengis_kahn".

Stalking / Theft / Fraud - 2021

As 2021 started i migrated over to gab.com and started posting my own works from research aka written essay works, on twitter and gab.com. They continued to steal from my content on gab and twitter from day one until i was either banned for calling out their theft or just stopped using their curated drivel websites that were running racketeering, fraud, theft, and discrimination on top of stalking and treason. Torba needs the death penalty along with elon musk and the previous owner and ceo. Musk has been stealing our content and running fraud to pretend its his original works since 2021 along with trump who started at the end of 2021 around the time of the jan 6 protest being announced.

It then escalated to non-stop theft of my intellectual property posted on gab or in comments and spread out to the rico theft fraud network ran by fox news / RT. I only saw it in the GOP’s fox news channels and all the little “alt media” that is actually just subsidiaries or “contractors” in contract with fox news and i can prove it, they share the same scripts all day every day… it was only informational items then and since they had a bigger viewership i allowed it to continue, plus i didnt have money to deal with a bunch of small lawsuits so i was left with no choice but to allow it at the time.

- 2021 Timeline
- We started our INVESTIGATIVE JOURNALISM website business OMEGAMEDIA / DIGITAL WARFARE HQ

- They started Stealing from and attacking our business OMEGAMEDIA / DIGITAL WARFARE HQ
- Theft / Fraud / Stalking became obvious, but was benign for the most part and was ONLY DIGITAL STALKING
- 100's of channels were stealing our content
- theft was mostly fox news and gop ran "news"
- We started making memes, our original IP
- They seemed to not steal our memes, too brazen

Illegal Spying / Stalking / Theft / Fraud - 2022

in 2022 the theft escalated to over 200 channels using my stolen ip that was often hacked up and reworked aka plagiarism, and spread out as a script to all the rico trump team network of "influencers" aka propaganda script readers. It also escalated to the theft of our IP from gab.com account "Ghengis_Kahn" which they then banned after they stole my content and i became aware of it and started to call it out and attempt to recovery my stolen intellectual property and get them to cease and desist. The US ARMY PSYWAR division which is running the trump "qanon" "operation trust" psyop against the american public as a precursor to their invasion / coup / takeover installing of themselves into some US "THRONE" they envisioned as the crowns have always drooled over….

The theft of our Ghengis_Kahn Gab account intellectual property culminated with the US ARMY PSYWAR stealing our words and story and using it in the "GHOST IN THE MACHINE", US ARMY MARKETING / RECRUITING PROPAGANDA… around 60% of the whole promo video is our stolen verbatim words or our story… Just like all the other channels and such, proof of the US MILITARY / FOX NEWS / TRUMP RICO COLLUSION TO COMMIT ORGANIZED CRIME AND WAR CRIMES AGAINST CIVILIANS… That looks like child's play to what the US MILITARY IS TAKING PART IN TODAY IN 2025…. they also stole our story and some of our written IP and made their first song with my stolen IP by DJ KAHLID – GOD DID…. 90% My stolen IP, My words and MY STORY…

Weird and odd health problems started to arise in pets at our house and people, as well as odd death in the family of a uncle earl. I can prove the rico fox news trump pentagon terrorist treason war criminal gang was already on my phone and such and following me and still stealing MY STORY IP and using it cause i had stopped posting or saying anything they could steal in an attempt to shut them down and starve them out of my content but they are such brazen terrorists and such no skill inbred losers they would not leave me alone, instead they started trying to bring my businesses down and starve me out and make it so i have no way to defend myself against their inbred terrorist gang of swine parasite thieves, They started either buying the businesses i worked with or going around illegally based off stalking to get their info then go pay them or blackmail them to stop working with me.

I had dogs start dying from mysterious problems that just appeared one day. One dog died in 2022 and the other 2 dogs died in 2023, the ones in 2023 both had the same weird bump growth

on their rear end. They were already spying on me doing grocery shopping too and removing the CHEAP items i could afford cause of their blockade on my income and businesses trying to starve me out like some war criminal terrorist genocide gang.

- 2022 Timeline
- 200+ FOX NEWS / PSYWAR CHANNELS THEFT
- US ARMY PSYWAR - MARKETING THEFT
- MOVIE INDUSTRY STARTED USING OUR STOLEN IP
- BANNING OF MY ACCOUNTS BEGAN AGAIN now on gab.com instead of youtube and twitter who banned us in 2020-21
- SCOTUS ATTACKING US BY TRYING TO MAKE HOMELESSNESS ILLEGAL IN MY AREA (GRANTS PASS)
- It became clear the US MILITARY INVOLVED
- It became clear fox / pentagon / team trump are invader, terrorist, thieve, fraudsters - like all the pardons trump gave to his gang members....
- They started stalking me to the stores and doing PRICE FIXING or REMOVING THE CHEAP ITEMS I BOUGHT. (SHERMS THUNDERBIRD & ACE HARDWAR)
- Weird SUDDEN ANIMAL HEALTH PROBLEMS, and death of one dog.

Illegal Spying / Stalking / Theft / Fraud - 2023

Fox News stole my words verbatim from illegal spying and gave them to their slavic cousin who they then installed as a “folk singer” which failed and he was called out as a fraud and CIA PLANT… “rich man north of richmond” MY WORDS VERBATIM…. FOX CORPS FIRST BRAZEN THEFT OF MY VERBATIM WORDS I SAID IN PRIVATE AROUND MY PHONE. Fox News will hang for treason and terrorism along with around 500 other businesses that are their rico gang network. The theft and fraud and terrorism being ran by team trump and fox news and RT / PENTAGON are out of control and need to be rounded up and hung for literally an INVASION / OCCUPATION WAR CRIMINAL GANG OF EASTERN BLOCK “BRICS” RATS….Speaking of BRICS and THEFT, they stole that from me.. Cause i was saying that “WE BUILT OUR VICTORY BRICK BY BRICK” then a few days later they popped up and named themselves “BRICS”…. ALL THOSE COUNTRIES ARE KINGPINS IN THIS FOREIGN CROWN RAN INVASION TERRORISM TREASON GANG>.. SAUDI ARABIA (ARAMCO ROCKEFELLER) CROWN ARE THE LEAD ROLE IN THIS TERRORIST ARABIAN GANG INVASION….

The theft had got so out of control and we had achieved the goal of removing the ILLEGAL LOCKDOWNS and STOPPING THE TEAM TRUMP / FOX NEWS / PENTAGON GEN FLYNN RAN GENOCIDE WAR CRIMES OF “WARP SPEED” LETHAL INJECTIONS…. So we decided to bow out and to release our info in a way that only the US GOV / US MILITARY COULD FIND OUT WHO I WAS… I offered myself up as bait to see just how bad the invasion / coup was and how bad the situation was… Over the last two years its become

crystal clear the US GOVERNMENT / US MILITARY IS SACKED AND CAPTURED BY FOREIGN INBRED TERRORIST CROWNS…. EASTERN BLOCK… With “KING CHARLES” aka TRANSYLVANIA BLOODLINE…. EASTERN BLOCK… HAPSBURGS IN FRENCH MONARCHY, FROM EAST… ROMANOVS… FROM THE EAST… ALL KINGPINS IN THIS FOREIGN RAN INVASION / COUP / TERRORIST GANG

Some members of my family seemed to start acting weird and in hindsight it would seem they had joined the gang in 2023 at some point as in late 2023 i had built a chicken house for my mother for cheap and was getting some of the eggs to help me survive and then one day when it became clear to the terrorist trump / nsa spying on me that i was DEPENDENT ON THE EGGS, charlie rice killed a chicken cause of “an issue with another chicken”, the same issue i said would be a problem months before and charlie said it was fine and “I WAS WRONG”… The chicken didnt need to die, THEN HE SPUN A YARN TO MY MOTHER TELLING HERE THAT “CHICKENS DONT PRODUCE EGGS IN THE WINTER” cause this happened in late fall of 2023, it was only months later i was able to tell my mother that it was not real, that he was making up a story to KEEP ME FROM BEING ABLE TO GET ANY EGGS… my mother had found a BIG CONTAINER FULL OF EGGS THAT CHARLIE HAD BEEN HIDING THEM OUTSIDE IN A CONTAINER WHILE SAYING THERE WERE NO EGGS…It was like 60 or more eggs that had gone bad. ATTEMPTED WAR CRIME STARVATION MURDER WITH SUBVERSIVE TACTICS AND FRAUDULENT STORIES. Josh ran backup and cover for his iies too. It is my assumption that THEY ARE BEING PAID TO COMMIT CRIMES AGAINST ME AND STALK ME AND INTIMIDATE ME AND RUN COVER AND TRY TO SABOTAGE ME, MY LIFE AND MY BUSINESSES. Its literally a MENTAL ILLNESS to a tee.

- 2023 Timeline
- Theft by TIM BURTON - Beetlejuice beetlejuice "THE JUICE IS LOOSE" plus parts of my story and humor are in the movie
- FOX CORP BRAZEN THEFT WITH OLIVER ANTHONY (anthony is my name) Thats how brazen they got, and still are using my name , it was private words stolen.
- FOX / PENTAGON / TEAM TRUMP Eastern block tactics became clear as day
- Soft Terrorism attacks began on my business
- Soft Terrorism attacks started on me personally
- My family started getting involved subvertly against me for payment from team trumps boys like alex jones, jay dyer, juan o savin, steve bannon, the FIELD MARSHALLS...
- Continued weird health problems in other pets, and 2 more dogs dead from the same AILMENT
- Some music and movie theft, as in some of my story and my content in their content, it was eating around the edges still then and hard for me to prosecute or sue for, plus i was not documenting our content because it was mostly educational and what i would say is "common sense". Also we were not putting much content out for them to steal, im guessing they were using a bunch of MY CONTENT THAT WAS ON THE GAB.COM ACCOUNT THEY BANNED in 2022 when i called out their theft.
- They started copying what i did for money in the local venue, i made woodworking items like tables, planter boxes, bird houses, TIE DYE AND ACID WASH SHIRTS, and some other things, i have proof of the same things popping up almost identical design on facebook accounts LOCALLY..... GANG STALKING RICO THIEF TERRORIST MEMBERS. They also started

copying WHAT WE WOULD WEAR FOR CLOTHES. again, like a weird mentally ill terrorist stalking gang of children parrots.

Illegal Spying / Stalking / Theft / Fraud - 2024

We had bowed out completely and stopped saying anything around our phone so they couldnt steal from us anymore, we started new local businesses and they still stalked us on local facebook and tried to steal our business ideas and have their cousins make them to so that my idea was already spread around and had lots of competition, same tactics for 5 years straight now. They were only able to steal a few things that year, trump talking about “THEM EATING OUR PETS” and “SHARKS AND ELECTRIC BATTERIES IN BOATS IN THE OCEAN” then they went big with the few things i did say around my phone and some was posted on gab but they banned it after i called out the theft by EMINEM in “HOODINI” AND MORE SONGS ON THE LATEST ALBUM… Then they stole our content for KENDRICK LAMAR in “THEY NOT LIKE US”… I can prove they have been caught stealing from me in 2025 now so they are not gonna get away with their 2024 theft.

After they stole our VERBATIM WORDS FOR EMINEM “THE DEATH OF SLIM SHADY” and banned our last gab account cause we were calling our the theft of our IP we STARTED TO DOCUMENT ALL OUR INTELLECTUAL PROPERTY, they had been stealing things we didnt think were that great. torba is a CO-CONSPIRATOR AND HAS OUR STOLEN IP IN HIS BOOKS AND MORE. HE ALSO HAS NOW COPYCATTED WITH PLAGIARISM OUR HAWKX SLOGAN OF “FREE SPEECH IS KING” (NOW IN 2025/2026 THEY ARE COPYCAT THEFT OF “UNLEASH THE BEAST” from our IN PERSON LOCAL SIGN WE HAVE IN OUR DRIVEWAY, we have evidence of when we made the sign and when we started putting it out by the road, we also have other evidence of them copycat theft of something we had just painted on a board in my yard that wasnt totally visible from the road and found it copycatted on some of the rico channels that we have named on here, it was “WAR MACHINE” and it was then on TONY MICHAELS PODCAST.

its not our original content but it is verified that they keep spying / stalking and COPYING EVERYTHING I TRY TO USE FOR MY BUSINESS AND/OR MY PERSONAL LIFE, to the point of them COPYCATTING THE CLOTHES I WEAR AT TIMES TO MIMIC ME AND LET ME KNOW “WHOS THE BOSS” ALSO AN ATTEMPT TO INTIMIDATE ME IN WAYS THEY THINK ARE SLICK AND NOT NOTICEABLE OR ILLEGAL, which is also proof they are WORKING WITH ATTORNEYS TO TRY TO DO “LEGAL THEFT AND COPYCATTING” WHILE ITS ALL BASED OFF OF ILLEGAL SPYING / STALKING from spying on my phone mic / camera and from the neighbors who are part of the gang stalking group. MOST OF WHICH APPEAR TO BE FOREIGN FROM INDIA, MONGOLIA, POLAND, SLAVIC.

the hacking of my servers with tens of thousands of ips from the rico gang locations started in 2024 again, the browsers and more started to have all kinds of WEIRD GLITCHES BUT ONLY WHEN I WOULD BE WORKING ON MY BUSINESSES ONLINE. when i was disconnected

from the INTERNET THE PROBLEMS WENT AWAY, then i found out by mid year that THEY WERE HACKING MY WIFI NETWORK OR USING KEYLOGGERS OR BACKDOORS THROUGH THE INTERNET WITH THEIR NSA COUSINS TO GET MY PASSWORD THEN LOGIN TO MY LOCAL WIFI AND START TO VANDALIZE MY EQUIPMENT AND HARASS ME WITH DISRUPTIONS AND STEAL MY CONTENT, MY GRAPHIC DESIGN AND WRITTEN SONGS AND SUCH. We have evidence of them hacking our network with a network monitor and proof through the fact that when we put up WIFI SECURITY CAMERAS they started vandalising the ONE CAMERA THAT WAS POINTED AT THE TERRORIST THIEF NEIGHBOR… and we switched cameras and the camera was fine and the other camera worked for 1 day then the next day it stopped working just like the other one.,

WE DOCUMENTED THIS HAPPENING MULTIPLE TIMES AND USED 3 DIFFERENT CAMERAS AND ALL WORKED AT FIRST THEN STOPPED, we found a work around by using different software that made it basically glitched out so they were not able to glitch it out. it made it hard to record the video the same way though. And that camera would still have problems on a regular basis and need reboot or reconnect until i finally shutdown the WIFI CAUSE I REALIZED IT WAS CLEAR AS DAY HACKING / VANDALISM OF MY EQUIPMENT FROM THE WIFI SIGNAL NOT THE INTERNET.

- 2024 Timeline
- We started HAWKX PLATFORM in january of 2024
- We started JESTERPRIME.COM in March of 2024

- Their theft became more brazen and obvious, they started stealing almost everything i said in private but wasnt documenting it until it got so brazen with HOODINI and THEY NOT LIKE US, we then sprung into action and started documenting as much as i could but i had limited storage space for FILES. i bought 2 hard drives with a total of 20tb to be able to document all that i needed to as i kept seeing them stealing / copycatting things i didnt document.
- as of mid 2025 i have been able to document almost everything i do, say, post, wear, build, etc. The last 5 months i have had on lock and have got around 1000 smoking guns from 100's of channels doing theft and fraud.

Illegal Spying / Stalking / Theft / Fraud - 2025

The theft and fraud and terrorism / treason tactics on our business has increased MASSIVELY EVER SINCE TRUMP STARTED RUNNING FOR POTUS AND EVEN MORE SINCE HE

GOT HIS FAKE ” IMMUNITY” FROM HIS INSTALLED COUSIN RICO TERRORISTS WITH GEORGE BUSH’S COUSINS IN SCOTUS. WHO ALSO ATTACKED ME WITH THEIR 2022 ATTACK ON HOMELESS IN GRANTS PASS, I LIVE IN THE CITY RIGHT NEXT TO GRANTS PASS…. CLEAR AS DAY ATTACK ON ME A POOR PEASANT WHO HAS BEEN BORDERLINE HOMELESS SINCE THEIR LOCKDOWN TREASON IN 2020….. prior to 2020 lockdowns i ran a couple businesses that provided plenty of income to live off of. Then i built it back up some and then in 2022 they started running a racketeering blockade on my wholesale sales to stores.

Google / Youtube has become a completely fraudulent website this year with all my stolen content in around 1000 Channels, The complete script is almost entirely stolen from me and/or my life story…. FOX / TRUMP / PENTAGON / GOOGLE / TWITTER / FACEBOOK / INSTAGRAM are now 100% THEFT RICO GANG ORGS WHO WILL BE BROUGHT DOWN FOR THEIR MASSIVE THEFT / FRAUD / TREASON. Youtube has been helping them do FAKE OLD DATES ON AROUND 500 CHANNELS ON YOUTUBE. A massive RICO GANG of THIEVE FRAUDSTERS. I have smoking guns in the 100’s for most channels and my claims. The only claims i dont have enough evidence on is some of the possible attempted murders and poisoning and such. We have over 1TB of DOCUMENTED EVIDENCE OF THEIR THEFT AND FRAUD OF OUR IP AND THEIR TREASON SPYING AND STALKING AND TERRORISM TACTICS TO STARVE ME OUT AND BANKRUPT ME AND MY BUSINESSES.

- 2025 Timeline
- Theft of my IP in 100+ songs this year, some back dated fraud too
- Theft of my IP in 100+ movies this year, some back dated fraud too
- Brazen Theft, Fraud, Treason, Terrorism, Stalking
- Trying to IMPRISON ME WITH FRAUDULENT R.O., unlawful seizure of my vehicle and PRICE GOUGING meant to steal my vehicle from me. BRAZEN TERRORISM AND TREASON BY JCSO
- Used my mother to UNLAWFULLY turn off my power to shut down my websites and business and try to starve and heat kill me and my animals
- The attacks have increased to a massive amount this year cause i have been forcing them to not steal from me and stop stalking as well as documenting it and informing them daily i am coming for my stolen IP and MY MONEY THEY STOLE BY MAKING BILLIONS OFF MY STOLEN IP.

There is much more since I wrote this out in early 2026. Its been a big year…
