STATE POLICE EMAIL / OREGON INSPECTOR GENERAL / STATE ATTORNEY GENERAL

Hello my name is Anthony Elam, my phone number is 541-613-8356. Im calling to report that I am in fear for my life and false imprisonment by the Jackson county sheriff office. I am also calling to report that I have been the victim of an organized crime ring and I have proof the JCSO is part of it and actively running obstruction and fabricating charges against me that are some of the same charges I have evidence they are doing to me. I am being stalked locally, by strangers, neighbors, and law enforcement had been stalking me also, I am also being illegally spied on (espionage or warrantless wiretap) and even the neighbors are given access to my private words and private doings on my computer and phone. I am also being stolen from, my intellectual property, and I can prove all my claims with hard evidence and a mountain of circumstantial evidence that is also very very strong and based off a pattern and operating procedure they are using as RICO gang. I can also prove they are working with street gangs such as the crips, hells angels, gypsy jokers, mongrols as well as im assuming they are working with the other street gangs also.

I can also prove they are committing massive fraud to try and back date their new videos, songs, movies, and more in an attempt to make it look like they didn't steal it and I assume they would like to frame me as being the one who stole but I can prove my content is original and that I have all my time online and computers, phones, local life, all recorded on video or audio for the last 22 months. This has going on for around 5 years but I wasn't documenting as much and it was less going on. Now they steal everyday from my IP and on a mass scale, I can prove 100+ channels a day are doing theft and or fraud on their channels with my current intellectual property, I can prove this pattern of theft and fraud for 22 months straight. I can also show that when I contact JCSO or Law enforcement and THEY DO NOTHING TO INVESTIGATE, TAKE A REPORT, OR EVEN CHECK INTO MY CLAIMS, the theft picks up and gets more brazen and egregious to the point now where they are literally going psycho with the theft of my property, like a psycho gang that wants to STEAL ALL MY PROPERTY AND KILL ME OR GET ME PUT IN PRISON FOR THEIR CRIMES BY PROJECTING AND GIVING FALSE REPORTS AND FALSE ALLEGATIONS ON ME, which are the exact crimes I have proof of on them.

I also have proof I have verbally told the JCSO and all involved to CEASE AND DESIST VERBALLY, and I sent the JCSO AND COUNTY COMMISIONERS A CEASE AND DESIST PRESUIT NOTICE 7 days before this happened, I also made a post declaring my intentions to GET A RECALL ELECTION GOING ON THE SHERIFF BASED ON MY EVIDENCE OF SAID CRIMES., I posted on my website hawkx.xyz front page a slide that was talking about some of the crimes the JCSO was committing against me just 2 days before they fabricated 2 DOC charges, 1 MISUSE OF 911, and 1 Stalking misdemeanor that is from NATHAN DEBOAR who I have proof is cyberstalking my websites, able to hear my private words (espionage) and is doing the same theft and fraud as I can prove of the whole gang on youtube, they also have a youtube channel with theft of my IP and fraud to back date it. I can prove all this cause they are also CAUGHT RED HANDED WITH REAL TIME THEFT THAT IS NOT BACK DATED.

This is but a drop in the bucket of what is going on and what I have proof of on my website even, at www.hawkx.xyz , For more info on the crimes and names go to https://rico.hawkx.xyz , to see some evidence go to https://whitesands.hawkx.xyz and my social posts are at https://kaos.hawkx.xyz . Some of the stuff that they are stealing is from my other website business www.jesterprime.com

I have also attached many PDF files with the details and specifics of what is going on.

Thank you for your time and I look forward to hearing back from you and getting this resolved,

Sincerely,

Anthony Elam (Owner)
