Hello mam or sir,

I am needing to file personal injury tort claims against the US gov, US Military, State Gov.

I will also be needing to file copyright infringement / Fraud lawsuits on US Gov Officials, US Military, Private Corporations, Private Citizens / Small Businesses

I will also need to file personal injury tort lawsuits against private corporations, small businesses, and some private citizens.

I will also be needing to file a lawsuit against the Oregon state government and the sheriff office who are actively part of the gang committing crimes against me, either aiding & abetting or conspiring to commit crimes against me, or even soliciting others to commit crimes against me.

Personal Injury Tort Claim: Invasion of privacy, intent to cause distress, unfair business advantage as a competitor, Unlawful Interception of my live phone data and/or illegal wiretap and violation of my civil rights.

The names are as follows: US Government, US Military, State Governments Involved.

Copyright Infringement / Fraud: Use in whole or part of our intellectual property, released works and unreleased works, private dictation works. All will be copyrighted with the US copyright office

The names are as follows: US Gov Officials, US Military, Some State Gov / officials, Private corporations, small businesses and private citizens

Personal Injury Tort Claim / Lawsuit: Invasion of privacy, intent to cause distress, unfair business advantage as a competitor, Unlawful Interception of my live phone data and/or illegal wiretap and violation of my civil rights.

The names are as follows: Private corporations, and some kingpin individuals / small corps that I have proof were able to hear my private dictations and or my live dictations and private movements from infrared spying.

Personal Injury Tort Claim: Invasion of privacy, intent to cause distress, unfair business advantage as a competitor, Unlawful Interception of my live phone data and/or illegal wiretap and violation of my civil rights, unlawful arrest, stalking, medical malpractice, deprivation of my civil rights, discrimination.

The names are as follows: Oregon State Gov, Jackson County Sheriff Office (sheriff & deputies), perhaps more are involved too.

More information on this can found on my business website www.hawkx.xyz

Sincerely,

Tony Elam (owner)
