Things we can prove with both a small mountain of hard evidence and a literal mountain of circumstantial evidence, as well as patterns and operating procedures, methods, tactics, goals, intentions, motive, etc.

1. **Cyber Stalking** our business websites (even ones that are brand new and have no links to outside world)
2. **Cyber Stalking** our social media posts on https://kaos.hawkx.xyz
3. **Cyber stalking** the websites that have their crimes listed on them, https://rico.hawkx.xyz and https://whitesands.hawkx.zy
4. **Cyber Stalking** by way of watching my data and following me into live streams / chats
5. **Espionage / Illegal wiretap** on our phone / laptops
6. **Espionage / Cyber stalking** our data on our phones, they know what im watching, what sites I visit, everything I do online
7. **Espionage** on my texts, emails, phone calls also
8. **Copyright infringement**, IN WHOLE OR IN PART of our works, public and our unreleased private works
9. **Copyright Infringement** of our public works, songs, websites, products, names, comedy, motivational, spiritual, educational, our personal story and anything that I put out they steal
10. **Copyright infringement** of our private works, aka dictations, by use of espionage on my phone in the same categories listed above
11. **Intent to cause distress**
12. **Invasion of privacy**
13. **Economic espionage**
14. **Unfair business advantage, anti-competitive tactics**
15. **RICO Act violations / racketeering**
16. **Fraud** by way of fake back dates on videos on youtube, twitter, facebook, tic toc, their business websites, etc
17. **Fraud** by way of false views, and subs on channels, and fraudulent comments to “vouch” for fake back dates and such
18. **Fraud** by way of claiming my intellectual property, life story, private life details, styles, likeness, naming schemes, marketing content, things I like, etc as their own “original content”
19. **Stalking** locally by neighbors, law enforcement and other members of the organized crime ring
20. **Stalking** me by showing up at places I go, either just before or just after me.

21. **False reports** to law enforcement in attempts to frame me up or at least paint me as the problem as a form of slander
22. **Fabrication of charges** by law enforcement as a way to make it so I cant sue them or their gang members and or place stalking restraining orders on them
23. **Retaliatory acts** by people / businesses / law enforcement sheriff when they are informed of my intent to sue and or given a cease and desist notice. I get attacked or they steal more or both happen after they get given these legal documents
24. **Discrimination** against me be Jackson county sheriff and deputies
25. **Aiding & abetting** crimes committed against me by many of the gang / organized crime ring members and by the sheriff with the gang members
26. **CONSPIRING TO COMMITT CRIMES / AND OR SOLICT A CRIME** by the Jackson county sheriff and by many kingpins involved in the crimes against me, or at least evidence that directly implicates them as being either an active participant or a leader of said crimes against me.
27. **Obstruction of justice / Dereliction of duty** by refusing to even take report and look into my claims, allegations, or even look at a single piece of evidence that I have repeatedly tried to show them. They refuse to look at the website www.hawkx.xyz even though I can prove they have been looking at it by way of slandering me and my business by deputies and other stalkers
28. **Obstruction of justice** Refusing to take a report and file charges on local people who are committing crimes against me like theft, brandishing, and robbery & battery as well as they wont do a disorderly for the stalkers who have yelled at me and threaten me with physical violence in the street outside my house
29. **Collusion** of corporations, small businesses, civilians, law enforcement, street gangs, and governments, militaries, dignitaries both in the US and abroad.
30. **Slander / defamation** by almost all levels of players involved, and categories.
31. **Entrapment or SNEAKY ENTRAPMENT**, by way of refusing to give me any relief in the situation by taking a report and doing an investigation or press charges on those involved, hoping that I will make a mistake, but when that fails they just fabricate and make stuff up, or project their crimes onto me.
32. **Banning / shadow banning** of my accounts on big tech platforms
33. **War crimes**, I have evidence that points to the US military using thermal imaging to illegally spy on me and what appears to be symptoms of microwave weapons being used on me
34. **Nuremberg violations / Human Rights violations**, I have evidence they have been trying to starve me out by many different means, including following me or installing people at food boxes to give me less food than others, and overall have been trying to bankrupt me so I starve to death and has got me close to starving 3 times in the last 4 years with their near constant attacks by their big gang.

35. **Mental illness / Psychopathy**, evidence that paints a picture of severe mental illness and of a very serious criminal nature do to the severity of the crimes I have evidence they are committing plus the data points I lined out in the mental health pdf and that isn't even all the data points I have on the issue

36. **Deprivation of my civil rights / Pattern of deprivation** by refusing to do anything about the crimes being committed against me then attacking me.

37. **Unlawful / wrongful arrest / imprisonment** by way of fabricating charges on me that didn't happen or by trying to stretch the ORS to find something the can pin on me, a form of stalking and entrapment / harassment

38. **Fabricating / soliciting / aiding & abetting crimes** against me by way of perjury to file false restraining orders on me, and or coercing / soliciting the perpetrators of the local crimes on me to file false restraining orders based of lies and fabrications.

39. **Unlawful search and seizure** by way of impounding my vehicle that was legally parked when they arrested me for the entrapment / setup to not help me get my dogs and property out of the location where they had just filed a restraining order on me based on fabrications and lies.

40. **Hacking / DDOS Attacks** of my servers by domestic and foreign entities and companies

41. **Hacking / Vandalism** of my servers, web servers, laptops, wifi network, security cameras, websites.

42. **Vandalism** of my local business sign

43. **Fraudulent Financial Charges** by companies like, charter spectrum, t-mobile, progressive, liberty mutual, and a couple more**.**

44. **Power Disruptions / Removal & Connectivity Disruptions / Removal** by way of first power outages designed to hit me, then landlord ran power outages, and finally by unplugging me or messing with the breaker box all meant to disrupt my ability to post documentation, document their theft and such, host my own website servers that I can protect better than remote, etc. Then attacks on our phone data speeds and or connectivity at all.
